

## 2010 Fifth Class Power Engineer's Refrigeration Operator Course Victoria, BC

This course is open to all BC candidates that wish to challenge the provincial government examination for their Fifth Class Power Engineer's -- Refrigeration Endorsement Certification.

Classroom sessions are as follows:

|                            |   |
|----------------------------|---|
| <b>Date:</b>               | April 9, 2010 to April 30, 2010   |
| <b>Lecturer:</b>           | Mr. Les Badham  |
| <b>Location:</b>           | Esquimalt's Archie Browning Sports Centre<br>1151 Esquimalt Rd.<br>Victoria, BC   |
| <b>Classroom sessions:</b> | 4 consecutive Friday's (Apr 9th, 16th, 23rd, 30 <sup>th</sup> ) from 9 am to 4 pm. plus<br>3 consecutive Saturday's (Apr.10 <sup>th</sup> 17th, 24th) from 9 am to 4 pm |
| <b>Number of sessions:</b> | 7   |
| <b>The Cost</b>            | \$1,266.00 plus 5% GST  |

The cost includes all course materials including codes, binders, a scientific calculator, The Exam Tutor CD and all classroom expenses. The student needs only to provide his or her own notepaper and writing equipment. Also, access to a computer is beneficial for computer aided learning systems.

Candidates wishing to enrol in the program should have a good command of written English as well as grade 10 or higher math and science skills. Additionally, work experience or any class of Power Engineer Certificate is required for candidates who wish to challenge the government examination. Qualified candidates will be well prepared to challenge the provincial government Refrigeration Operator Examination on completion of the PIPE course. Students should be prepared to invest an additional 6-8 hours a week in home study.

To register for the Refrigeration Operators Course please complete the attached Course Order Form and mail it together with the course fee to the address below. For further information please contact the Program Manager, at (250) 339-7909 or Toll free 1-888-743-6970.
